Activity Sheet

MAKE YOUR OWN MR PEREGRINE

1. Use your crayons to colour him in.
2. Carefully cut around the bird's body and the wings.
3. Take each wing and fold along the dotted line.
4. Glue along the fold and stick your wings to each side of Mr Peregrine's body so he can fly.
5. Find the circle marked on the Peregrine's back and make a hole.
6. Now thread a piece of string through the hole and tie a knot in it.
7. You can now hang Mr Peregrine from the ceiling, or a hook, or hold him high. He's now ready to fly!
